"School Safety is Everybody's Business"

School Safety Week
October 20th - 24th, 2025

At Asha Stevens HCS, the safety and well-being of our students, staff, and visitors remain our highest priority. We are committed to maintaining a secure and supportive learning environment where every child feels safe, valued, and protected. Our safety measures include regular emergency drills, visitor protocols and staff trained in first aid and crisis response. We also encourage open communication between home and school, as working together helps us create a culture of awareness, responsibility, and care. By fostering a safe environment, we empower our students to learn, grow, and thrive with confidence.

Thank You, Community Readers!

We sincerely thank all our community readers for taking the time to share the joy of reading with our students. Your presence, encouragement, and love for literacy make a lasting impact. We are truly grateful for your support!
